

HAD HAPPY DAY ON GLORIOUS FOURTH

Did the People of North Gainesville and Their Friends.

DISPLAY FIREWORKS AT NIGHT

The North Gainesville Sunday School Celebrates the Day With Fine Program—Rain Interferes—Proceeds Go to the Building Fund.

The people of North Gainesville were out in large numbers on Tuesday, to join in the celebration of the Fourth, and the exercises and picnic at Campbell's Grove was a very enjoyable occasion.

The program consisted of songs, recitations, etc., and there was not a patriotic song in the whole category that was omitted. The Sunday school children and teachers marched from the hall to the picnic grounds at about 11 a. m., where the exercises were opened with a song, followed by prayer by Rev. Mr. Hart. Nine young ladies then gave a dialogue, which was followed by singing "The Star Spangled Banner." A recitation, "Old Glory," by Miss Grace Wolf, was very nicely rendered. Jimmy Campbell also did well. There were many other fine selections on the program and the main address of Mr. Albert Turner was a very clever and pleasing talk. The speaker said he would not detain them long, but every word was full of good, wholesome advice to the young. He proved by his brief allusions to the topics of the present day that he is well up in current events, as well as the history of our country. He was warmly applauded at the close.

After a song the exercises were closed and most of those present indulged in a picnic dinner. Baskets well filled were brought forth and the crowd was preparing for a good social time, when the rain came down at a lively rate and many sought safety from the downpour in the hall and other places.

It rained at intervals during the afternoon, putting a stop to the baseball game, but many remained at the grounds and enjoyed the swings and other amusements. The use of the grounds were tendered by the owner, Mr. Campbell, and the crowd was very orderly and appreciated his kindness.

At 8 o'clock at night the people again began to assemble to witness the display of fireworks. Mr. Albert Weber, Henry Ramsey, Col. I. E. Webster and others had purchased quite a large quantity, and they were set off in good style without a mishap during the whole time. Some of the pieces were very fine.

Mr. Weber invited a number of his friends to partake of refreshments at his home, after the exercises were over, and many availed themselves of his generous hospitality, lemon punch being served to all.

The sale of ice cream and lemonade netted the Sunday school a very neat sum to be used in repairing their place of meeting.

The day was enjoyed by a large number, in spite of the rain and our North Gainesville friends scored another victory as entertainers.

BIG TIME AT TRENTON.

Several Hundred People Gathered to Celebrate the Glorious Fourth.

The good people of Trenton and vicinity assembled at that place on the Glorious Fourth to show their patriotism, and participated in a big picnic. There were several hundred present, and the day was passed in a manner appropriate to the occasion.

While there were several addresses, all of which were good, Christopher Matheson of this city was the orator of the day, and it is said by those present that he did himself proud upon this occasion.

There was a big dinner, spread under the shades of the magnificent Trenton oaks, and altogether the day was spent in a most enjoyable manner.

Col. Matheson and others from Gainesville who attended the picnic returned to the city Wednesday.

Four Shots Were Exchanged, But Escaped Convict Again Got Away.

Deputy Sheriff J. H. Granger has returned from Columbia county, where he has been for the past few days on official business.

Officer Granger states that, in company with Deputy Sheriff Terry of Columbia county and a colored man by the name of Kerry Sullivan, he came in contact with Tom Ganey, the escaped convict from Baker's camp at Campville, Saturday afternoon near Columbia City, and that four shots were exchanged between Sullivan and Ganey without effect. The dogs refused to make the chase, with the result that Ganey succeeded in again making his escape into the swamp.

It will be remembered that Ganey was sent up from the circuit court of this county about a year ago for murder, and was sentenced to a life term in prison. He made his successful escape about three months ago.
